Les sites les plus utiles d'internet

👤 Ludovic

📅 janvier 30, 2023

Bienvenue dans ma collection de sites que j'utilise régulièrement, collection que j'espère mettre à jour au moins annuellement.

N'hésitez pas à me suggérer vos sites en commentaires !

SECURITY

<https://www.sslshopper.com/ssl-checker.html> – Help you quickly diagnose problems with your SSL certificate installation.

<https://hstspreload.org/> – Submit domains for inclusion in Chrome's HTTP Strict

Transport Security (HSTS) preload list.

<https://securityheaders.com/> – Analyse your HTTP response headers.

<https://www.virustotal.com/gui/home/upload> – Analyse suspicious files, domains, IPs and URLs to detect malware and other breaches, automatically share them with the security community.

<https://www.whynopadlock.com/> – Simple tool that will tell you about any insecure items on your SSL page!

<https://www.ssllabs.com/ssltest/index.html> – Free online service performs a deep analysis of the configuration of any SSL web server on the public Internet.
